Happy New Year!
Client Employee Christmas Party 2011 a Success

Rockwest's annual client-employee Christmas party was a fun filled time for all this year. In addition to our normal festivities we had a group volunteer their time to sing Christmas Carols to us! A great big thank you to the "Noteables" for putting on a wonderful show. We all enjoyed it so much. A big thank you to everyone who donated to our party this year. Your donations were very much appreciated and helped to create a memorable and successful party. Rockwest's gift to our client employees was a long sleeved t-shirt, with a special logo designed by Allen E. a long time client employee here at Rockwest. Thank you Allen for your wonderful design!

Please enjoy these pictures from our party.

Client-Employee of the Month

Allen E.

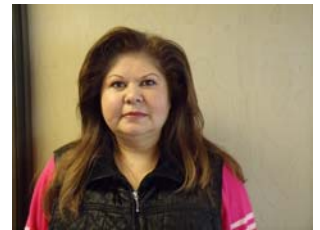

Allen has been working at Rockwest for 17 years now. He is always on task and very flexible. If anyone needs help he is always willing to pitch in. He works multiple jobs here and he likes them all. It's always a pleasure when Allen comes to work in the morning with a fantastic attitude and a smile. Allen was even the artist who designed our logo for the client Christmas presents this year! Great Job Allen!

Staff of the Month

Yola R.

Yola has been with Rockwest for 6 months and has already made a huge impression among our clients and staff. She always has a positive attitude and works very hard. She always pitches in wherever she is needed even helping to translate. We are so lucky to have Yola as an employee here at Rockwest. Thank you for everything you do!

A Note From our Marketing Department

Hello again from Rockwest Marketing!

2012 is a New Year and with that many resolutions are made. I hope that for most people safety and security are at the top of their lists. I know many of us always think of health first.

Often people generally take safety for granted or we take on the attitude that harm happens to someone else. Like health, safety measures can be made with a proactive plan in place. If we plan ahead, each family can have an emergency plan ready. By being ready, this will expedite care and assist the overwhelmed responsibilities placed on EMT, fire, and other emergency responders.

Rockwest can help in supporting you with your emergency back up plan. Our basic kit contains a three day food supply for two people as well as other important essentials. With our basic kits we encourage you to add supplies to customize for your family's needs.

Rockwest offers a variety of kits to choose from. I have listed a few of our popular kits below with prices. You can view all of our kits and first aide products on line at www.rockwesttraining.com . Please feel free to contact me for any assistance with your Emergency Preparedness Kit (EPK).

I wish you a happy and safe 2012.

Rockwest Gives Back

Early December our new client services coordinator LeAnna and production staff member Jake, took a group of client-employees on an outing to the Humane Society of the Willamette Valley to donate much needed items for the animals there. The group that attended has shown interest in working in a community job with animals. The client-employees had the opportunity to tour the facility and meet some of the animals up for adoption, as well as ask the volunteers some questions about their experiences there. Some of the group have been inspired to volunteer to work with the animals now. This was a great opportunity for Rockwest to give back to the community and involve our client-employees with community volunteer work.

Great Job Everyone!

Thought Corner-A Thought by Valerie H.

I'll Remember

I'll remember you.

I'll remember the way you made me laugh.

I'll remember those times you
turned my frown upside down.

I'll remember the stories we shared
and the jokes we told.

I'll remember the way you look
and how much you cared about me.

I'll remember you everyday I don't see your face
and I'll remember every heart I cared about.
