## ROCKWEST NEWS

The Activities Program (Rockwest in-house retirement program for client employees) held a Halloween Party for all client employees on Friday, 30 October. There was a costume contest, games were played and everyone was treated to some Halloween treats and fruit drinks. Many of the client employees went all out with their costumes. There was Hanna Montana, The Fonz, Dolly Parton, a witch, several monsters and zombies, and even Cat Woman made an appearance.

Everyone had a really great time trying to scare each other and participating in the games.
